

Technical Visit to Hong Kong Aircraft Engineering Company Limited (HAECO)

Organized by the HKIE Aircraft Division

Date: 17 May 2025 (Saturday), 9:30 am - 12pm

Venue: 80 South Perimeter Road Hong Kong International Airport Lantau, Hong Kong
(transportation: Bus S52 from Tung Chung MTR station)

Programme Highlights:

Established in Hong Kong in 1950, HAECO is one of the world's leading independent aircraft engineering and maintenance groups.

The Group offers a full spectrum of services from nose-to-tail solutions, that cover the diverse maintenance, repair and overhaul needs of the world's airlines. including airframe services, line services, component services, engine services, inventory technical management, private jet solutions, freighter conversion, parts manufacturing, and technical training.

A guided tour will be provided by HAECO to visit their hangars and aircraft maintenance facilities located in Lantau Island at Hong Kong International Airport maintenance area.
