

Technical Visit to Cathay Pacific Airways Limited

Organized by the HKIE Aircraft Division

Date: 24 Feb 2024 (Saturday), 10am - 12pm

Venue: Cathay Pacific City, International Airport, 8 Scenic Rd, Lantau Island
(transportation: Bus S52 from Tung Chung MTR station)

Programme Highlights:

Cathay Pacific Airways Ltd is based in Hong Kong and operates, Boeing 747, Airbus A320, A330, A350 and Boeing B777 passenger/freighter aircraft.

Under CPA HKAR 145 Approval, CPA support Cathay Dragon (HDA) and Air Hong Kong (AHK) maintenance activities. Cathay Dragon operates Airbus A320/321 and A330 passenger aircraft, whereas Air Hong Kong operates Airbus A300 and 330 freighter aircraft.

The Engineering Organisation is responsible within Cathay Pacific Airways Ltd for ensuring compliance with the relevant airworthiness requirements with regard to the overhaul, maintenance and servicing of all aircraft and airborne equipment operated by

CPA. Engineering is also responsible for the technical content of CPA directives and publications in so far as airworthiness may be affected.

This tour will visit the inside of Cathay Pacific City and have a little glimpse on how the airline operates.
