

Evening Workshop on HKIE Professional Assessment

Organized by the HKIE Aircraft Division

To be a Corporate Member of the HKIE, all applicants will have to pass the Professional Assessment (PA) conducted by senior members of the Institution. Depending on the membership routes, i.e. Scheme “A”, General Experience, Academia or Mature, the candidates need to pass the interview and/or the English writing assessment. During the PA, all candidates are expected to demonstrate their technical competence as well as good English writing and communications skills. However, a pilot scheme, in which the Aircraft Discipline has participated, has been launched (initially for a year) since April 2023 to accept alternative English qualifications in lieu of the current English writing assessment, i.e. a general or technical essay. In addition, a mentorship scheme was launched in April 2022 to help the potential candidates to better prepare themselves for the membership application and the subsequent PA.

In order to explain to the potential applicants details of the above schemes, the current competence-based professional assessment processes as well as to address any application related questions that the potential applicants may have, the Aircraft Division will organize a workshop and you are all welcome to join.

Date, Time & Venue:

19th May 2023 (Friday) 6-8pm

Cathay City (details would be update via email upon successful enrolment)

Address: International Airport, 8 Scenic Rd, Chek Lap Kok

Speakers/ Facilitator

Ir WC CHEUNG, Chairman of Aircraft Discipline

Workshop Objective

This 2-hour workshop aims to address the following:

- 1) To give a brief introduction of membership application processes;
- 2) To review and share the experience of the new competence-based PA;
- 3) To explain the Mentorship scheme and the acceptable alternative English qualifications

Graduate/ Associate Members who are interested in or preparing for HKIE Corporate membership application under Aircraft Discipline are invited to this workshop. To facilitate the discussion, you are invited to bring your questions/ enquiries to the workshop.

Light refreshment would be provided in the event.

Registration & Enquiries:

The registration is free of charge. Prior registration is required. The number of participants is limited to 50 and applications will be accepted on a firstcome first-served basis with exclusivity to members of the Aircraft Discipline / Division, HKIE only

For registration, please enrol before 12th May, 2023 via
