

Evening Workshop on HKIE Professional Assessment

Organized by the HKIE Aircraft Division

To be a Corporate Member of the HKIE, all applicants will have to pass the Professional Assessment (PA) conducted by senior members of the Institution. Depending on the membership route, the candidates will have to pass both the interview assessment and the English writing test. In the PA, all candidates are required to demonstrate their technical competency as well as good English writing and communications skills. And now, the Aircraft Division would organize a workshop to help young Engineers familiarize with the processes and better prepare themselves for the assessment.

Date, Time & Venue:

15th October 2021 (Friday) 6-8pm

Novotel Citygate (details would be update via email upon successful enrollment)

Address: 51 Man Tung Road, Tung Chung Hong Kong, Hong Kong

Speakers/ Facilitator

WC Cheung, Chairman of Aircraft Discipline

Workshop Objective

This 2-hour workshop aims to address the following:

- 1) to give a brief introduction of membership applications;
- 2) to review and share the experience of the new competence-based PA
- 3) to network with the local aviation practitioners and share views on the Hong Kong aviation industry in post-COVID-19 era

Graduate/ Associate Members who are interested in or preparing for HKIE Corporate membership application under Aircraft Discipline are invited to this workshop. To facilitate the discussion, you are invited to bring your questions/ enquiries to the workshop.

Light refreshment would be provided in the event.

Registration & Enquiries:

The registration fee for the workshop is HK\$100/ head. Prior registration is required. The number of participants is limited to 50 and applications will be accepted on a first-come first-served basis with exclusivity to members of the Aircraft Discipline / Division, HKIE only

For registration, please enroll before 11th October, 2021 via <https://forms.office.com/r/TQCwaNGv1H> or the attached qr code
